Iris van Herpen

Atelier Assistant

febrero de 2023 - septiembre de 2023 (8 meses)

Amsterdam, North Holland, Netherlands

Working closely together with the atelier where the collections are being developed and restored. This involves many different kinds of handwork, patternmaking, machine sewing, sourcing, hand embroidery, moulage and graphic design.

Extreme attention to detail, resolute and calm being able to work under pressure in a Haute Couture environment.

Also had a chance to join and help behind the scenes at Paris Fashion Week and receive clients at the Showroom after the show.

Projects I worked on:

- Architectonics AW '23 Collection.
- Bespoke dresses including Bridal.
- Beyoncé's Heliosphere gown for her Renaissance world tour concert in Amsterdam.
- Exhibition "Sculpting the Senses" at Musée des Arts Décoratifs in Paris.

MAISON ULLENS
